FACULTY FEEDBACK ANALYSIS REPORT – MBA BATCH 2017-19 (SEMESTER 2)

INTRODUCTION

Faculties are one of the major pillars of any institute for its growth and progress and with this in mind, in PIBM, Faculty feedback is taken for all batches at the end of the semester by the Academics Department to get the perspective of the faculty on the requirements in the classroom, administration, IT and infrastructure, students' performance, subject and the curriculum in general as it helps the organization to upgrade and make necessary changes in concerned areas that can be more helpful and beneficial to students as well as it helps the organization to better plan the subjects offered, faculties to be allotted, add on trainings to be given besides getting their views on the different departments of the organization.

The faculty feedback for Batch 2017-19 (Semester 2) was taken at the end of the semester.

The feedback form contained questions on the prime parameters that a faculty can identify with to evaluate the institute like course completion, administrative and IT support, students' performance, course outcome, skills developed and so on

1. Satisfaction with Course completion as per plan
2. Satisfaction with Administrative support received
3. Satisfaction with ICT support received
4. Satisfaction with students response to training
5. Satisfaction with students performance in classroom
6. Satisfaction with course outcome achievement
7. Satisfaction with skills and competencies developed in students according to course

There was also the option of giving additional comments and suggestions on topics to be added in the curriculum and recommendations for course curriculum improvement.

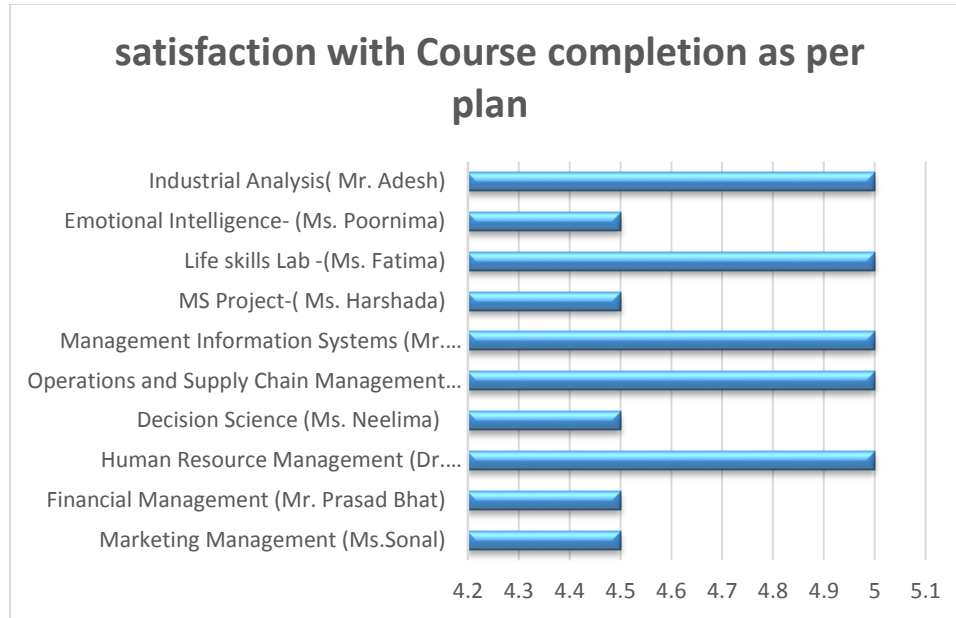

The marking had to be done on a scale of 5 for all the above mentioned parameters.

ANALYSIS AND INTERPRETATION

Based on the feedback obtained from students on the various parameters, following results were found

📌 OBSERVATIONS

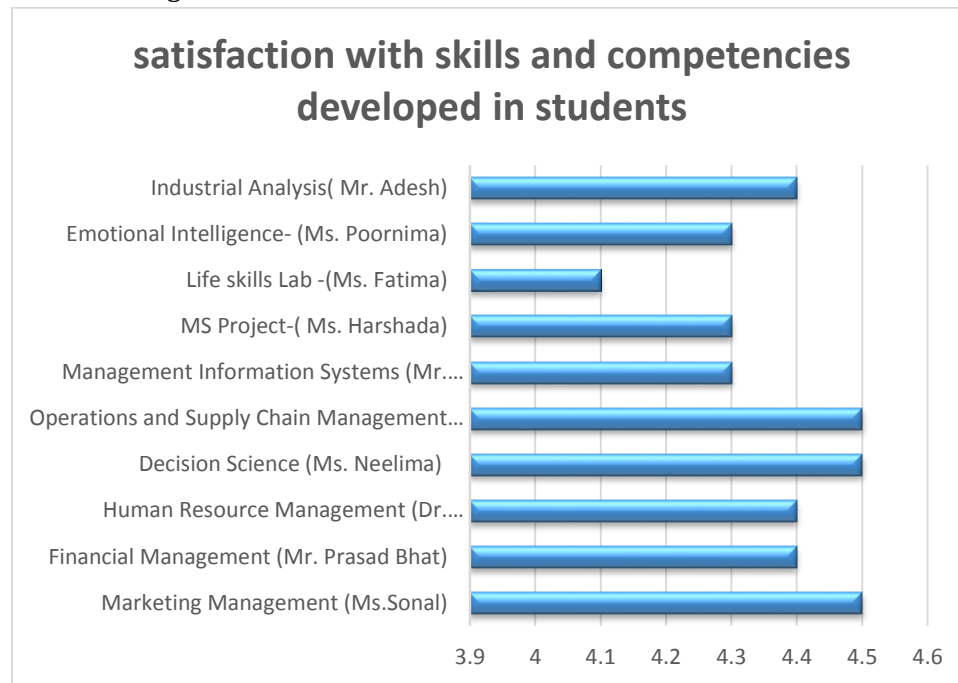

- Faculties faced no issue in completion of course as per their plan with the overall score being 4.75

- Faculties were quite satisfied with the administrative support received for session scheduling with a score of 4.78
- Faculties faced no issues in ICT support either with the overall score being 4.68
- Satisfaction with students response to training was average with a score of 4.12

- Satisfaction with course outcome achievement was also good with a score of 4.25.
- Satisfaction with skills and competencies developed in students according to course was had a high score of 4.37

INTERPRETATIONS

- Faculties were overall satisfied with the administration, support, students' performance in the college. Extra sessions were suggested for Decision Science subject as it required a lot of practice.
- There were also suggestions for Field Visits and for subjects like Marketing and guest lectures
- Faculties had minor issues with ICT support like internet or mic problems occasionally but no major problems

CONCLUSION

Based on the faculty's feedback for different subjects it can be concluded that:

- Faculties are overall satisfied with the facilities and administration of the institute
- Internal evaluations to be made more Case based for the subjects
- Field Visits and Industry visits to be included as part of curriculum
