NOTICE Language Lab

Dear Students,

This is to inform all the students of Batch 2017 - 2019 PGDM & MBA that **Language Lab Session** will be held on **27th September 2017 in Auditorium.**

Here are some of the ways language labs can aid the learning process:-

- They give shy and self-conscious students a chance to practice their English in privacy.
- Students are more likely to pay attention when working with a program that's communicating directly to them.
- The learning content can be adjusted to suit each student's individual needs.
- Students' listening and speaking skills can be tested more efficiently.

Session Details as Follows: -

Faculty Name :- Ms. Fatema Abbas (HOD Communication)
Timing :- 04:00pm To 06:00pm
Coordinated by :- Mr. David Hangsing (Batch Incharge)

Director
PUNE INSTITUTE OF BUSINESS MANAGEMENT

Proficiency in a language is built over time through the process of cognitive learning and interactive practice. Listening, speaking, reading and writing are the key skills in language acquisition and learning. Language primarily develops from listening and speaking. The language lab is a platform where comprehensive and interactive digital content catering to the listening and speaking skills, is put to use in a stimulating lab environment. The importance of this course are listed below:

- The distinctive program pedagogy includes rich training support for the learner as well as a trainer.
- The role of an instructor in a language skill enhancement class is critical the methodology adopted hence is a perfect blend of Instructor Led Training ILT and Computer Based Training CBT.
- Keeping the importance of a teacher in mind the language lab sessions ensure a teacher-learner interaction in the class. The human touch and the wealth of knowledge and experience that a teacher brings into the classroom combine with the rich content of the language lab software to provide an effective learning experience for the learner.
- The structured approach takes the language learning through an organized process of gradual learning.
- This is term insurance a stress free environment with high quality digital content that supplements the academic syllabus.
- The software allows learners a private environment for self-paced practice.

Each student can create their individual ID and password to access the Language Lab tool to take the lessons and appear for the Computer Based Tests. The license of this program has to be renewed every year for every new batch.

NOTICE

LANGUAGE LAB

For the first time in the history of PIBM, we have come up with a tool called, 'Language Lab' starting this year with the batch of 2015-2017 for students falling under level C and D. The classes will be held for practicing English language and enhancing communication skills through this framework. It is mandatory for all the students of level C and level D to attend these classes. Sessions will be decided by the Department of Academics, to know your slot kindly refer to the timetable for section wise sessions will be plotted.

The language lab is a dedicated space for learning foreign language (English), which is structured through two levels, each level is packed with intense interactive training, through rich audio-visual content alternating between ILT i.e Instructor Led Training and CBT sessions i.e Computer Based Test. These levels, respectively meet the language skill benchmarks set by the CEFR (Common European Framework of Reference for Languages) for Elementary and Intermediate levels of language.

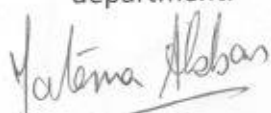

Details of the Language Lab:

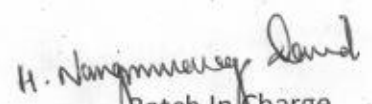

Venue: IT Lab (2nd Floor)

Levels: ● Elementary Level
● Intermediate Level

Days: Twice a week for each section

For further details please feel free to contact Communication department or the Academics department.

Language Lab – Outcomes of conducting the classes

The Language Lab classes were organized for the Sem-2 students which started from 05-02-18 and ended on 14-04-2018. The program was structured keeping in mind the needs of level C & level D students. A huge number of 150 students successfully completed the Language Lab program. By the end of the classes the students were able to improve in the following areas:

- They worked on their Soft Skills which helped them to be prepared for Campus Interviews. This includes:
 - Resume Writing
 - Email Etiquette
 - Personal Appearance and Hygiene
 - Group Discussions
 - Interview Skills
 - Writing Skills
 - Communication Skills
 - Telephone Etiquette
- They learnt how to create a balance between how to speak and what to say by developing better communication skills and grammatical accuracy.
- They worked on the Integrated Functional Grammar Basic vocabulary and structures required for participating in day to day communication.
- Hence they gradually upgraded their English language skills through a structured programme.

Thus, these classes helped the students to improve their Listening, speaking, reading and writing skills which are the key skills in language acquisition and learning. The outcome of this training program can be gaged during their communication assessment at the end of semester 2 and beginning of semester 3.

HOD-Communication

10/05/2017

Language Lab – Outcomes of conducting the classes

The Language Lab classes were organized for the Sem-2 students which started from 20-02-17 and ended on 29-04-2017. The classes were held keeping in mind the needs of level C & level D students. 96 students successfully completed the Language Lab program. Improvement in the students by the end of classes were as follows:

- They worked on their soft skills which helped them to be prepared for Campus Interviews. This included:
 - Resume Writing
 - Email Etiquette
 - Personal Appearance and Hygiene
 - Group Discussions
 - Interview Skills
 - Writing Skills
 - Communication Skills
 - Telephone Etiquette
- They improved their speaking skills and developed better communication skills and grammar.
- They studied the Integrated Functional Grammar Basic vocabulary and language required for participating in day to day communication.
- Hence they meticulously upgraded their English language skills through a structured programme.

Thus, Key skills required for language learning were imparted to the students and these skills helped them in many ways. The outcome of this training program was determined during their communication assessment at the end of semester 2 and beginning of semester 3. The results were positive for many students.

HOD-Communication

09/05/2016

Language Lab – Outcomes of conducting the classes

The Language Lab classes were organized for the Sem-2 students which commenced from 22-02-16 and ended on 30-04-2016. The classes were held with respect the requirements of level C & level D students. 63 students successfully completed the Language Lab program. Improvement in the students by the end of classes were as follows:

- They worked on their soft skills which geared them towards interview preparations.

This included:

- Resume Writing
 - Email Etiquette
 - Personal Appearance and Hygiene
 - Group Discussions
 - Interview Skills
 - Writing Skills
 - Communication Skills
 - Telephone Etiquette
- Students' speaking skills were developed with addition to better communication skills and grammar.
 - They learnt the Integrated Functional Grammar Basic vocabulary and gained language skills needed for participating in day to day communication.
 - Hence they improved their English language skills through a structured programme.

Thus, Key skills required for language learning were given to the students and these skills prepared them for real world communication. The results were adjudged during their communication assessment at the end of semester 2 and beginning of semester 3. The results were positive for many students.
