## **STUDENT FEEDBACK ANALYSIS REPORT FOR MBA SEMESTER 3 (BATCH 2015-17)**

### **INTRODUCTION**

Student's feedback is taken for all batches at the end of the semester by the Batch-in-Charge to get a student perspective on the requirements in the class, subject and the curriculum in general as it helps the faculty to design their teaching methods in a way that can be more helpful and beneficial to students as well as it helps the organization to better plan the subjects offered, faculties to be allotted, add on trainings to be given besides getting their views on the different departments of the organization.

The students' feedback regarding faculties & subjects for Batch 2015-17 (Semester 3) was taken at the end of the semester in Google Forms sent to students by the Batch-in-Charge.

The feedback form contained questions on the prime parameters that a student can identify with to evaluate the teaching of a subject like teaching pedagogy, interaction with students, content and examples as mentioned below:

1. Satisfaction with Teaching Pedagogy
2. Satisfaction with the clarity of speech of the faculty
3. Satisfaction on Concept Clarity
4. Satisfaction with sector examples and different company data aligned with concept
5. Satisfaction with faculty in solving student's queries
6. Satisfaction with faculty in controlling the class
7. Satisfaction with the session content

There was also the option of giving additional comments and suggestions if anyone wished.

The students had to mark the faculties on a scale of 5 for all the above mentioned parameters.

The feedback was taken specialization wise as subjects are different for different specializations.
