STUDENT FEEDBACK ANALYSIS REPORT FOR PGDM BATCH 2015-17 – SEMESTER I

INTRODUCTION

Student's feedback is taken for all batches at the end of the semester by the Batch-in-Charge/Feedback Committee to get a student perspective on the requirements in the class, subject and the curriculum in general as it helps the faculty to design their teaching methods in a way that can be more beneficial to students as well as it helps the organization to better plan the subjects offered, faculties to be allotted, add on trainings to be given besides getting their views on the different departments of the organization.

The students' feedback regarding faculties & subjects for Batch 2015-17(Semester 1) was taken at the end of the semester by the Feedback Committee on online forms.

The feedback form contained questions on the key parameters to evaluate the teaching of a subject like teaching pedagogy, interaction with students, content and examples as mentioned below:

1. Satisfaction with Teaching Pedagogy
2. Satisfaction on Concept Clarity
3. Satisfaction with sector examples and different company data aligned with concept
4. Satisfaction with faculty in solving student's queries
5. Satisfaction with faculty in controlling the class
6. Satisfaction with the session content

There was also the option of giving additional comments and suggestions.

The students had to mark the faculties on a scale of 5 for all the above mentioned parameters.
