Pune Institute of Business Management
Pirangut, Pune

Faculty Feedback

- ✓ Faculty rated curriculum as up-to-date and strongly bridging theory and practice.
- ✓ Holistic development and real-life applicability seen as strengths.
- ✓ Good focus on ethics and professional values.

Stakeholder wise Point of Improvement

Student feedback

- ✓ Moderate satisfaction in innovation, creativity, and out-of-the-box thinking.
- ✓ Infrastructure adequacy (labs, digital resources, classrooms) still has room for improvement.

Alumni Feedback

- ✓ Feedback shows infra adequacy was comparatively weaker during their tenure.
- ✓ Creativity and innovation scope could be further integrated in curriculum.

Parents' Feedback

- ✓ Mixed responses on innovation, creativity, and problem-solving (many agreed, some felt scope to improve).
- ✓ Infrastructure adequacy rated slightly lower.

Employer Feedback

- ✓ Scope for improvement in leadership qualities and decision-making under pressure.
- ✓ Relationship building with peers/subordinates noted as moderate.
- ✓ Some feedback that innovation and creativity in workplace need boosting.

Faculty Feedback

- ✓ Faculty noted moderate improvement needed in innovation and creativity among students.
- ✓ Infrastructure adequacy rated as "average" compared to requirements.
