Pirangut, Pune

Faculty Feedback

- ✓ Faculty gave unanimous strong ratings on creativity, innovation, and use of cases/projects.
- ✓ High scores on curriculum adapting to trends and global challenges.
- ✓ Ethics, CSR, and sustainability integration rated strongly.

Stakeholder wise Point of Improvement**Student feedback**

- ✓ Innovation/creativity still shows scope (many rated "Very Good," fewer "Excellent").
- ✓ Infrastructure adequacy rated more as "Very Good" than "Excellent," suggesting scope to further upgrade.
- ✓ Overall curriculum satisfaction still has a small share marked "Good."

Alumni Feedback

- ✓ Creativity and innovation rated as "Agree" more than "Strongly Agree."
- ✓ Infrastructure and leadership development perceived as adequate, but not exceptional.

Parents' Feedback

- ✓ Infra adequacy feedback shows a section still rated "Agree," not "Strongly Agree."
- ✓ Expectation for enhanced parent-institute communication and visibility of student progress.

Employer Feedback

- ✓ Leadership qualities and decision-making under pressure still need a push.
- ✓ Innovation/creativity scored only moderately higher.
- ✓ Planning/organizing skills show scope for strengthening.

Faculty Feedback

- ✓ A few noted infra adequacy could still be upgraded.
- ✓ Desire for stronger tech integration in teaching delivery.
