

STUDENT FEEDBACK ANALYSIS REPORT FOR (A.Y.2021-23)

(End of the Semester)

1. INTRODUCTION

Student's feedback is taken for all batches at the mid semester and end of the semester and by the Batch-in-Charge to get a student perspective on the requirements in the class, subject and the curriculum in general as it helps the faculty to design their teaching methods in a way that can be more helpful and beneficial to students as well as it helps the organization to better plan the subjects offered, faculties to be allotted, add on trainings to be given besides getting their views on the different departments of the organization.

2. METHOD

The feedback was taken by circulating a Google form with all students at the end of the Semester conducted for batch 2021-23

Through the feedback form thus circulated each student was asked to rate each faculty that taught him/her during the Semester on a scale of 1 to 4 on the following parameters:

1. Teaching Methodology
2. Language/Voice Clarity
3. Behavior with Students
4. Interaction with students during the class
5. Use of business relevant concepts while explaining concepts

The students were asked to rate the faculty on above parameters on a scale of 1 to 4. For better clarity and uniformity in responses the students were given what each number on the scale denote for the surveyor. The detailed scale is given below:

- 1 for Poor
- 2 for Average
- 3 for Good
- 4 for Very Good

3. SAMPLE FORM: You can find question as seen by the students in the picture below.
