

Action Taken Report – 2022-23

Action taken Report for 2022-23 on the basis of feedback analysis Report 2021-22

Proposed Action plan

- ✓ Look for more Simulation options, we received very positive feedback from HBR.
- ✓ Use more corporates for Mock GD and PI / Placement Drills
- ✓ Along with academic mentor align industry mentor for Advance learner
- ✓ Add more certification like SAP specific to the domain area.
- ✓ On regular intervals plan a Parents and Teachers meeting.
- ✓ Built indoor sport area in larger capacity
- ✓ Apart from industry oriented program collaborate with companies for Hackathon.
- ✓ To access students learning on weekly basics look for proctor based test platform.

Action Implemented

- ✓ Subscribed for CESIM simulation platform which consist of 100+ simulation games across all the domain.
- ✓ Form a dedicated panel for Mock GD & Mock PI department wise.
- ✓ We formed a panel of corporates who can mentor a student.
- ✓ Apart from SAP user module certification we added Consultant certification.
- ✓ Semester wise parents teacher meeting is planed and executed by mentor supported by Academic department.
- ✓ We collaborated with companies like BAGIC and Flipkart and hosted Hackathon.
- ✓ Procured Quilgo Proctored based assessment platform and using is effectively to evaluate students learnings weekly.
