## **FEEDBACK ANALYSIS REPORT FOR MBA SEM 1 for BATCH 2014-16**

### **INTRODUCTION**

Student's feedback is taken for all batches at the end of the semester by the Batch-in-Charge to get a student perspective on the requirements in the class, subject and the curriculum in general as it helps the faculty to design their teaching methods in a way that can be more helpful and beneficial to students as well as it helps the organization to better plan the subjects offered, faculties to be allotted, add on trainings to be given besides getting their views on the different departments of the organization.

The students' feedback regarding faculties & subjects for MBA Batch 2014-16 (Semester 1) was taken at the end of the semester by the Batch-in-Charge.

The feedback form contained questions on the prime parameters that a student can identify with to evaluate the teaching of a subject like teaching pedagogy, interaction with students, content and examples as mentioned below:

1. Satisfaction with Teaching Methods
2. Satisfaction on Clarity of Concepts
3. Satisfaction with Examples used in class
4. Satisfaction with faculty student interaction
5. Satisfaction with the Contents used

There was also the option of giving additional comments and suggestions if anyone wished.

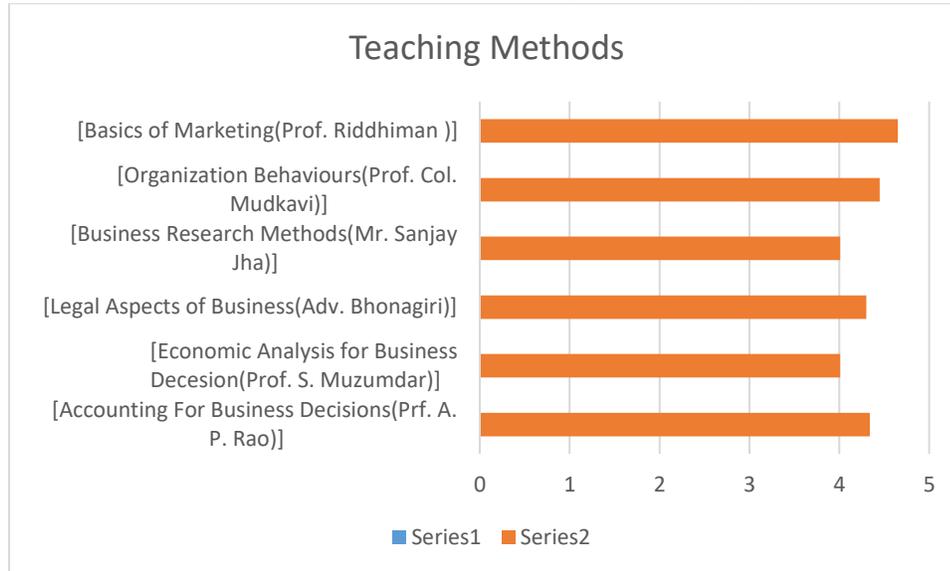

The students had to mark the faculties on a scale of 5 for all the above mentioned parameters.

## ANALYSIS AND INTERPRETATION

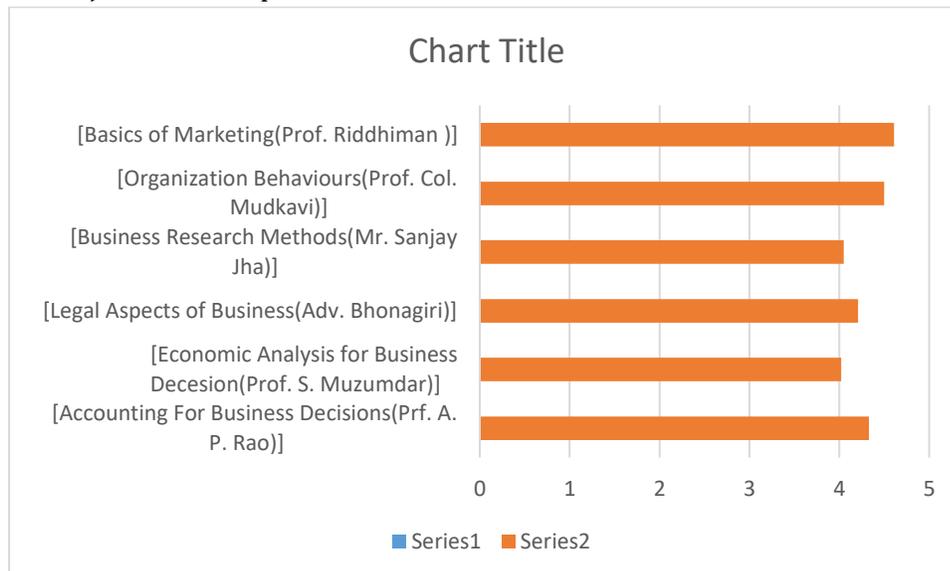

Based on the feedback obtained from students on the various parameters, following results were found

### 🌟 OBSERVATIONS

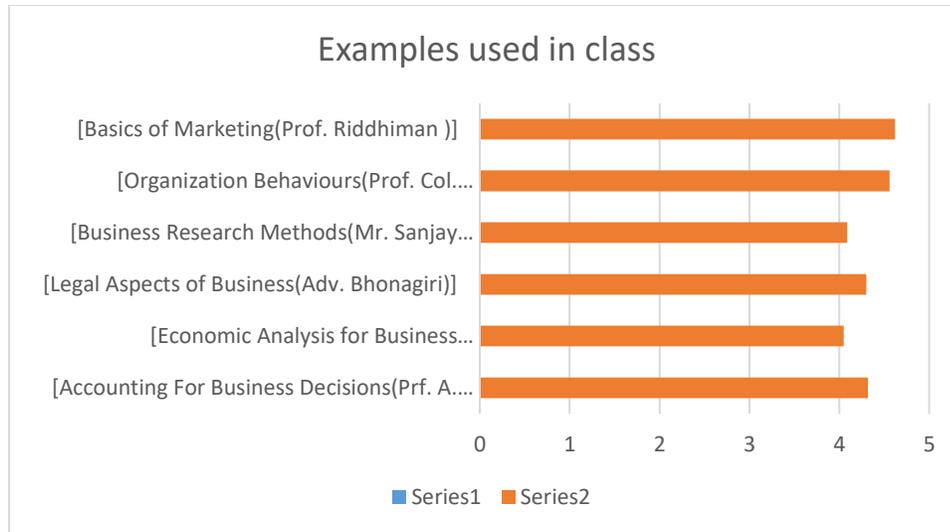

- Students were quite satisfied with the Teaching Methods of faculties with an overall score of 4.293 with almost all subjects scoring 4 and above points.

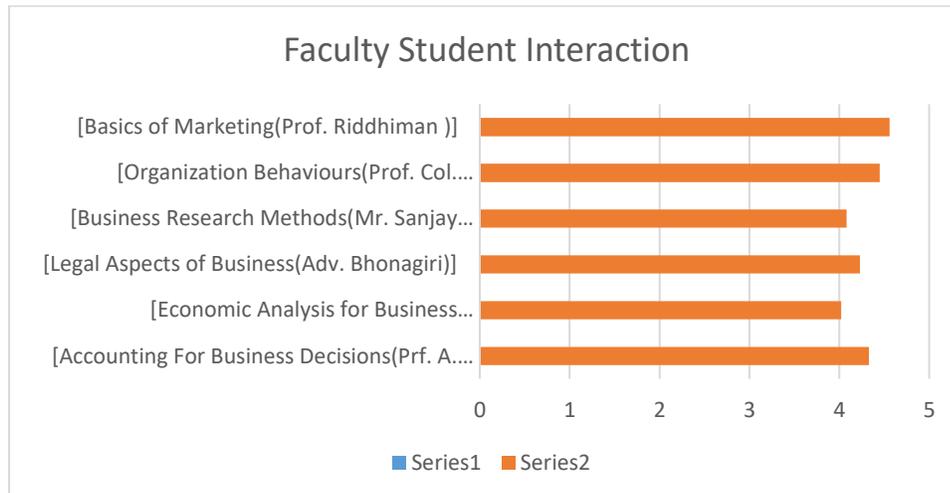

- Satisfaction with Clarity of concepts was again high with 4.286 score. Again almost all subjects scored 4points or above.

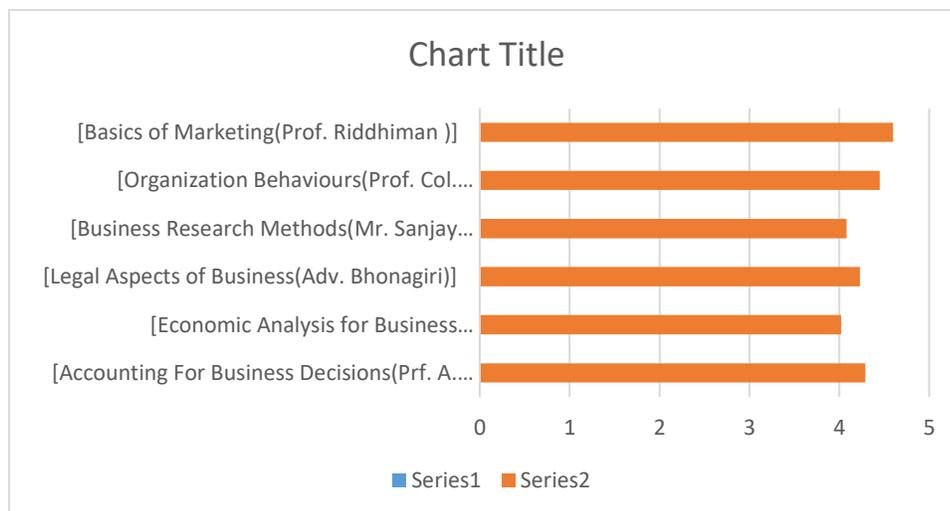

- Satisfaction with Examples used in class was also quite high with a score of 4.323. Again all subjects scored 4 points or above

- Students were also quite content with faculty student interaction with an overall score of 4.278

- Session content satisfaction was 4.278 which also indicated very high satisfaction from students.

- Students also requested for some amount of Statistics training

#### **🚩 INTERPRETATIONS**

- Students were quite satisfied with the faculties, teaching methods and session contents provided in class
- More training on analytics and statistics need to be planned

#### **CONCLUSION**

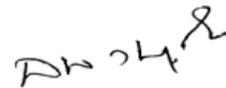

Based on the students' feedback for different subjects it can be concluded that:

- Students are content with the faculties and teaching pattern of the institute but more attention should be given to subjects scoring low.
- Changes need to be made on the subjects where students expressed dissatisfaction in terms of faculty and content delivery.
- The issue of Statistics and Analytics training need to be addressed
